ELEVATE YOUR BUSINESS OPERATIONS

Step into the future with a new generation of MFPs for low-to-mid volume office operations. A true business assistant, Konica Minolta's C361i product family can help your organization tighten security, boost efficiency and advance fleet management—taking operations to a whole new level no matter your future office environment needs.

- Get reliable speed and performance from the robust One i-Series engine powered by a quad-core Central Processing Unit with 8 GB of memory and a 256 GB SSD

- Leverage versatile MFP capabilities with full-speed media printing range and high-speed one-pass dual scanning at up to 200ipm, with digital skew correction, and large capacity trays

- Operate the bizhub like a smartphone or tablet with intuitive and fully customizable user interface

- Print anytime, from anywhere, with Konica Minolta's innovative mobile print support with access point capability

- Choose from an internal, 50-sheet or 100-sheet floor-standing staple finishers for high-speed versatile finishing convenience, with modular options for 80-page booklet making, tri-folding and half-folding

- Seamlessly connect to your cloud workflows with true cloud scan workflow automation

- Protect your business information with secure network integration, data encryption and advanced user authentication

LET US MANAGE YOUR DEVICE FLEET

Konica Minolta's RMM (Remote Monitoring and Management) solution and skilled professionals can manage your device fleet and ensure you meet specific regulatory and security requirements for your industry — so you can focus on your core business.

- Remote fleet monitoring from a central location
- Quick, easy device setting optimization
- Manage devices to your organization's security policies and standards
- Access to all status information and other device data critical to IT teams
- Simple and efficient device deployment
- Configurable dashboard that displays device information, applies device settings, verifies device change status and corrects device settings

BOOST PRODUCTIVITY WITH A SIMPLE INTERFACE

The consistent interface across all bizhub One i-Series devices gives you the look and feel of a modern smartphone, making it intuitive to navigate. New users benefit from an error-free settings process with a guided copy and scan program. Konica Minolta's MarketPlace UI building tool makes it easy to customize the interface to fit your users' unique needs.

- 10.1" tablet-like display with simple, sleek design
- Responsive vibration feedback
- 24-90° panel tilt angle for easy handling
- Card-style layout with easy access to settings
- Drag-and-drop tablet-style operation
FUTURE-PROOF YOUR DOCUMENT WORKFLOWS

The Konica Minolta bizhub One i-Series of MFPs is built for the future, giving you a cloud-ready solution to tackle your business needs.

Gone are the days of being tethered to on-premises MFP infrastructures and cumbersome IT tasks. With Konica Minolta's C361i product family of MFPs, you have an elegant, effortless solution to elevate efficient business operations for the modern world of work.

CONNECT TO YOUR CLOUD WORKFLOWS

Accelerate your digital transformation with the Konica Minolta cloud-enabled C361i product family of MFPs

- Handle typical workloads more efficiently by scanning and faxing diverse document sizes to multiple repositories
- Print confidential files directly on the MFP, ensuring documents are only viewed by the intended recipient
- Enhance communication and teamwork with this platform that supports large file storage, sharing and collaboration—within your company and with your external customers

PROACTIVELY PROTECT YOUR BUSINESS INFORMATION

In addition to layered security offerings, the bizhub C361i product family of MFPs comes equipped with:

- Standard 256GB solid state drive (SSD)
- MFP authentication
- Authentication attack detection
- Password attack detection

Optional Security Offerings

- HID & IC cards
- Biometric authentication
- Virus Scan to protect against malware and viruses
- bh Secure
- bh Secure Platinum
- Cloud-based Security Monitoring and Management Solution

EASY FOR ANYONE TO USE

DESIGNED WITH EVERYONE IN MIND

Konica Minolta MFPs use Universal Design principles to ensure that so anyone regardless of age, gender, stature or disability can use them with the same degree of ease.

- Color and color-coding make MFPs easy to use and keep users safe

- Easily accessible paper trays and toner cartridges for refilling, easy to lift automatic document feeder and soft-close hinges for silent closing

- Large 10.1" tablet touch panel with a 24° to 90° tilt angle and vibration feedback provide convenient operation for all users— whether standing or sitting

- Remote Access application that enables users to zoom in/out on the hardware buttons for better visibility, rotate the preview screen, and pinch in/out on the Image

- Dark-color paper output tray enables even those with poor vision to easily identify paper output

- Ribbed paper trays that can be identified by touch

SUPPORT YOUR SUSTAINABILITY GOALS

Konica Minolta cares about the environment and our collective future. We have been honored with numerous national and global awards, including:

- Inclusion on the Dow Jones Sustainability Indexes for eight consecutive years
- Top rating from the Climate Performance Leadership for activities related to climate change
- 95 active products on the EPEAT registry, with 69 achieving gold status
- 14 products on the EPEAT registry with 21 optional points — the highest EPEAT point total of imaging equipment manufacturers

PARTNER WITH A LEADER IN ENVIRONMENTAL PROGRESS

Konica Minolta doesn't just talk about environmental goals, we take action. We developed a technology that blends PET plastic with PC from water bottles to create a recycled material that can be used in the outer casing of MFPs—a first in the industry.

We are also a SmartWay partner with the U.S. Environmental Protection Agency (EPA), agreeing to reduce emissions and fuel use in logistics activities. In addition, Konica Minolta is a member of Two Sides, where we take the lead in environmentally conscious printing—educating communities about the importance of sustainable forestry and eco-friendly paper goods.

VISION 2025

Konica Minolta Eco Vision 2050

Our environmental action plan centers on three goals:

- Reduce CO_2 emissions throughout our product life cycle by 80 percent by 2050, compared to 2005 levels
- Promote recycling and effective use of the Earth's limited resources
- Work to promote restoration and preservation of biodiversity

TECHNICAL SPECIFICATIONS: C361i/C301i/C251i

PRINTER SPECIFICATIONS (STANDARD)

Print resolution	1,800 (equivalent) x 600 dpi; 1200 x 1200 dpi
Print speed letter (mono/color)	Up to 36/36, 30/30, 25/25 ppm
Page description language	PCL 6 (XL3.0); PCL 5c; PostScript 3 (CPSI 3016); XPS
Operating System	Windows 10 (32/64); Windows 11; Windows Server 2012; Windows Server 2012 R2; Windows Server 2016; Windows Server 2019; Windows Server 2022; MacOS 10.14 or later; Unix; Linux; Citrix
Printer fonts	80 PCL Latin; 137 PostScript 3 Emulation Latin
Mobile printing	AirPrint (iOS); Mopria (Android); Konica Minolta Mobile Print (iOS/Android/Windows 10 Mobile); Mobile Authentication and Pairing (iOS/Android) Optional: Google Cloud Print; WiFi Direct

PRINTER SPECIFICATIONS (OPTIONAL)

Print controller	Embedded Fiery IC-420
Controller CPU	AMD GX-424CC @ 2.4 GHz
Memory/HDD	4 GB/500 GB
Page description language	Adobe PostScript 3 (CPSI 3020); PCL 6; PCL 5c
Operating systems	Windows 7 (32/64), Windows 8.1 (32/64), Windows 10 (32/64), Windows Server 2008 (32/64), Windows Server 2008 R2, Windows Server 2012, Windows Server 2012 R2, Windows Server 2016, Windows Server 2019, MacOS X 10.10 or later, Linux

SCANNER SPECIFICATIONS

Scan speed (mono/color)	Up to 100/100 ipm in simplex Up to 200/200 ipm in duplex
Scan modes	Scan-to-eMail (Scan-to-Me); Scan-to-SMB (Scan-to-Home); Scan-to-FTP; Scan-to-Box; Scan-to-USB; Scan-to-WebDAV; Scan-to-URL; TWAIN scan
File formats	JPEG; TIFF; PDF, Compact PDF; Encrypted PDF; XPS; Compact XPS; PPTX; PDF/A 1a and 1b Optional: Searchable PDF; Searchable DOCX/PPTX/XLSX
Scan destinations	2,100 (single + group); LDAP support

COPIER SPECIFICATIONS

Imaging technology	Laser
Toner technology	Simitri® HD polymerized toner
Copy/print speed letter (mono/color)	Up to 36/36 ppm, 30/30 ppm, 25/25 ppm
Copy/print speed 11"x17" (mono/color)	Up to 18/18 ppm, 15/15 ppm, 15/15 ppm
Auto duplex Speed letter (mono/color)	Up to 36/36 ppm
1st copy out time letter (mono/color)	4.6/6.1 sec or less, 5/6.7 sec or less, 5.2/ 6.9 sec or less
Warm-up time	Approx. 13 sec or less[1]
Copy resolution	600 x 600 dpi
Gradation	256 gradations
Multicopy	1–9,999
Supported Paper Size	5.5" x 8.5" to 12.25" x 18"; Custom sizes
Magnification	25–400% in 0.1% steps; Auto-zooming

FAX SPECIFICATIONS

Fax standard	Super G3 (optional)
Fax transmission	Analog; i-Fax; Color i-Fax; IP-Fax
Fax resolution	Up to 600 x 600 dpi
Fax compression	MH; MR; MMR; JBIG
Fax modem	Up to 33.6 Kbps
Fax destinations	2,100 (single + group)

USER BOX SPECIFICATIONS

Storable documents	Up to 3,000 documents or 10,000 pages
Type of user boxes	Public; Personal (with password or authentication); Group (with authentication)
Type of system boxes	Secure Print, ID & Print, Encrypted PDF, Fax recept, Fax polling, Annotation

SYSTEM FEATURES

Security Functions (standard)	ISO 15408 HCD-PP Common Criteria (in evaluation); IP filtering and port blocking; SSL2; SSL3 and TLS1.2/1.3 network communication; IPsec support; IEEE 802.1x support; User authentication; Authentication log; Secure print; Kerberos; Overwrite all data function; SSD Self-Encryption (AES 256)/ Storage lock password; Memory data auto deletion; Confidential fax receipt; Print user data encryption
Security Functions (optional)	Antivirus realtime scanning (Bitdefender®); Copy protection (Copy Guard, Password Copy)
Accounting (standard)	Up to 1,000 user accounts; Active Directory support (user name + password + e-mail + smb folder); User function access definition
Accounting Functions (optional)	ID card authentication (ID card reader); Authentication by mobile device (Android/iOS)
Software	Net Care Device Manager; Data Administrator; Web Connection; Log Management Utility

[1] Warm-up time may vary depending on the operating environment and usage.

– All specifications refer to letter-size paper of 80 gsm weight.
– The support and availability of the listed specifications and functionalities varies depending on operating systems, applications and network protocols as well as network and system configurations.
– The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a particular page size (6% coverage of letter). The actual life of each consumable will vary depending on use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.
– Some of the product illustrations contain optional accessories.
– Specifications and accessories are based on the information available at the time of printing and are subject to change without notice.
– Konica Minolta does not warrant that any specifications mentioned will be error-free.
– All brand and product names may be registered trademarks or trademarks of their respective holders and are hereby acknowledged.
